**Notes: A story I had deleted from Ao3. I was able to recover it thanks to "AO3\_final\_location" on the Internet Archive! Many thanks to Entropy11235813.**

**This was because of my autistic mind, which always seems to be in conflict between "what's right, what's wrong, and works of a pornographic nature, especially those with Non-Con in them." My mind also tends to create imaginary and exaggerated fears about this, like "what if people find out you write and translate this stuff? Your life will be ruined! You'll be put on the sex offenders list, you'll go to jail, etc." Anyway, I had moments where I wanted to "destroy everything". That's why the deletion had happened, but this story is back to stay. Enjoy.**

One month. It's been a month since Suzuka died. Killed by her own hands. Misa's hands. This 19-year-old Japanese student, with black hair and eyes of the same color, is a Blade Templar. Her duty is to protect the world from demons, armed with her faithful katana. Misa had to kill her best friend Suzuka, because she had fallen under the Demon Blade's influence, a cursed katana. Suzuka had also killed their Sensei in cold blood. She was a Blade Templar, like Misa. Her hair was blonde and her eyes were red. Now Misa is alone. She has to fight the demons by herself. After all, she is the only Blade Templar left in the area.

Misa continues her double life as a student and a Blade Templar without a hitch. The demons she had to fight are no match for her. They are all weaklings. But, one day, everything changes. Misa found herself facing a tentacled demon. It has the body of a dark-skinned man, but a goat's head. His legs and arms are tentacles. Misa jokingly asks him how he moves. The demon just laughs before sending her tentacles. Misa's katana cuts them effortlessly. It doesn't seem to affect the demon. His cut tentacles grow back quickly. He sends more and more of them to Misa. The Blade Templar manages to slice several of them, but she is quickly overtaken and seized by them. Misa lets out a cry of surprise, she drops her katana and tries to free herself, but she can't. The demon laughs again, but it is a soft laugh, almost a whisper. Misa sends him packing. She's not afraid of him. Anyway, she knows very well that all demons want is to kill her and nothing else. Suzuka had told her that some devour or consume their victims, but Misa doesn't think that this tentacled demon is interested in eating her.

Indeed, the beast has other plans.

\*\*\*

Misa screams again as the tentacles holding her secrete a strange liquid that destroys her top, skirt, stockings and underwear. She is completely naked. *No, no, no*, she said to herself. *Suzuka had told me "devour or consume". By "consume" she meant...* Misa's fears are well founded as tentacles begin to massage her breasts. She holds back from moaning. Yet Misa isn't a virgin. She has had affairs with boys before. She has even been assaulted by a man much older than her. It isn't the idea of being defiled that torments her right now, it's the idea of being used as a toy for a demon. Misa's ego refuses to accept it. Yet, she can't free herself. Misa has the urge to scream for help, but who would come to save her? Her Sensei? Suzuka? They are dead.

\*\*\*

A tentacle forces itself into Misa's mouth, preventing her from speaking. Another one caresses her buttocks, before penetrating her backside gently. Misa gives a muffled moan, despite herself. While other tentacles caress her arms, her legs, her belly, her back, the one massaging her breasts starts to suck gently on her nipples, while other tentacles take their places, gently squeezing Misa's breasts. Misa pushes other small muffled moans. The demon hums a soft melody and a hand with long fingers forms at the end of one of his tentacles. He forces Misa's legs to spread wide, admires her clit and pussy, and his index finger rests gently on her clit. The finger circles it gently, then moves down her pussy before moving up to touch her clit. The beast does this several times. Despite the tentacle in her mouth, Misa moans over and over, and she curses the creature as he takes pleasure in wetting her entrance. When the beast sees that Misa's pussy is well wet, he gently enters his index finger inside. While the demon moves his tentacle in and out of Misa's buttocks, wanting her to cum there too, he rotates his finger inside her, circling her inner walls. Then he withdraws his index finger, enters again with his middle finger, caresses Misa again from inside and withdraws them again. The demon's two fingers, and soon three, penetrate Misa's pussy, again and again, faster and faster, until the Brade Templar breaks and cum. Her asshole cum at the same time, much to the beast's delight. The tentacle in Misa's mouth also cums.

\*\*\*

Then the demon removes most of his tentacles from Misa, while

holding her at his mercy, and moves her body so that her vaginal entrance is at the level of his head and mouth. With no tentacle left in her mouth, Misa wants to yell at him, but she moans heavily quickly as the beast's tongue licks her entrance. He wants to drink all of her feminine liquid. When he has finished, the beast puts his index finger inside Misa. It wants to circle her inner walls once again. Then, finally, the demon penetrates her vagina with one of his numerous tentacles. He enters her, exits, enters, exits, enters, exits... until he ejaculates. Misa, during all this time, doesn't stop moaning. Her body is out of control because it is filled with pleasure and desire. This disgusts Misa, as her body seems to want more. After giving the Blade Templar his seed, the tentacle demon releases her and walks away from her. *I... refuse... to let you... escape...!*

\*\*\*

She gets up as best she can. She is exhausted, but her rage doesn't care about her body's state. Misa grabs her katana and runs to catch the goat-headed demon. She pushes her blade in his back and the beast lets her do it. *What are you trying to do, you fifty devil?* Misa asks herself. Misa continues to attack him, the demon doesn't stop her, then he starts to speak.

"So, are you satisfied, my *xokasa*?"

"W-What?!" Misa replied, surprised. "What did you say?"

Misa didn't expect him to talk to her, let alone call her *xokasa*.

"I asked you if you were satisfied." Said the demon. "Has my blood flowed enough, *xokasa*?"

"Satisfied? I don't get it... and I am NOT YOUR XOKASA!"

A *xokasa* is a wife for a demon. A husband is a *xokaso*.

"Ohhh, but yes, you are. I gave you my seeds. In return, I give you my blood. This seals a union between—"

"NO, NO, NO!" Misa screams at the beast. "I will NEVER be your wife! I am a Blade Templar, a demon slayer, and you RAPED me!!!"

"I thought this was the only way we could bond, my *xokasa*. Among demons, it is common to force an intimate relationship."

"Well not among humans!" Continues to retort Misa whose rage is still

very much alive. "This is what will happen, demon. Either I kill you or you kill me, but I'll never be your *xokasa* and I'll not bear your children!"

"Is this... is this really what you want, *xokasa*?" Asks the demon to the Blade Templar.

Misa shouts "YES."

"In that case... I'll give you some time, so you can think about it, my *xokasa*. It would break my heart to have to kill you."

Misa wants to yell all the insults that go through her head, but the demon disappears. He teleported to the demons' kingdom.

\*\*\*

The Blade Templar drops to the ground but doesn't let go of her katana. Misa is naked. Her skin is covered with the liquid from the tentacles and traces of the demon's blood that had spurted on her. Her holes are filled with semen. She heavily breathes several times. *Sensei is dead. Suzuka is dead. I was fucked by a demon and by force. He wants me to be his wife, his xokasa, or he will kill me. I don't know how to defeat him.* Then she starts screaming, "FUCKING SHIT".
